**REGARDING THE CONSOLIDATION.**

Special to the Daily Enterprise.  
Austin, Tex., Sept. 22.—The attorney general's department this morning ruled that there is no statutory objection to the proposed contract for joint operation of the Gulf, Beaumont and Kansas City and the Gulf and Interstate railroads in their opinion was delivered to the railroad commission. The only objection the attorney general finds in the proposition is the removal of the general offices of the Gulf and Interstate, which will have to be effected by charter amendment. Owing to the objection from some stock holders as to the consolidation the commission this morning set the whole matter down for public hearing on Sept. 28.

**AUSTIN BUDGET.**  
Chartered to-day: Travis County Fair association, capital stock, \$3,000. Tax rolls received to-day: Tyler county, \$198,091 increase over last year; Marion county, \$16,642 decrease. The auditor general's notice from the Garrity Rifles that they would attend the Dewey reception. Since last report of yesterday at noon the comptroller has passed on pension rolls up to and including Bosque county. When he gave out his report yesterday at noon he had approved 136 applications for all from A to B. Since then he has considered applications from Bee, Bell, Bexar, Blanco, Brazos and Bosque counties, approving 225 claims out of all the claims from these counties. Among the largest list so far approved is eighty-three successful applications from the Bexar county list.

**NEW AUDITORIUM**

Special to the Daily Enterprise.  
San Antonio, Sept. 22.—A laborer was killed by the city gravel pit caving in on him this morning.

A contract has been let for a big city market house and auditorium capable of seating 4,000 people, and to cost \$10,000. Work will begin next Monday.

**NO REDUCED RATES.**

Special to the Daily Enterprise.  
Houston, Tex., Sept. 22.—It is given out authoritatively here that the lines west of the Mississippi river will not make any special rates to the Dewey reception. The reason of this is it is stated, is that lines east of the river have made such high rates as to practically shut out the lines on this side from doing anything if they wanted to.

**YELLOW FEVER RECORD.**

There were three new cases and two deaths from yellow in New Orleans yesterday.

**A LAWN SUPPER AND DANCE.**

The Young Ladies' Social of St. Louis Catholic church will give an oyster supper and dance tonight on the church lawn, corner of Jefferson and Walnut streets. Dancing and refreshments 25 cents. All are invited to attend.

L. Harrison will be ready to serve the people of this city with all the good outside the market affords, between the 1st and 15th of November. At that time he will have a room in the new Laundry building 20x30 feet fitted up for the accommodation of ladies and gentlemen. Mr. Harrison has for a long time been known as the best caterer to the elite trade that has ever been in the city.

**NECHES CLUB SMOKER.**

The Neches Club kept open house last night and their hospitable club room was full to overflowing with those who came to enjoy the smoker and sip the delicious claret punch which was brewed for the occasion. The Neches club is on prosperous street now and the members say that they must have more commodious quarters in the near future as they are too crowded now. The club has added a pool table to their list of amusements and the members keep it warm all the time.

Gents—Hal W. Greer, D. T. Call, A. E. Brulin, Ed McManahan, Edwin Davidson, Tom Sanders, B. C. Eastin, Marvin Searlock, Will P. Oldham, Harry Newsom, Dr. C. C. Nash, K. B. Pierce, Dick Haynes, J. B. Price, S. H. McGary, Joe Stott, M. L. Bixler, Tom Smelter, Gene Pipkin, E. C. Escude.

Those in attendance enjoyed very much a duet by Tom Sanders and Dick Haynes, after which Ben C. Eastin rendered the descriptive poem, "Ode to a Skull," which was also very pleasing. The club was also stormed by the dancing party at the opera house, which spent a very pleasant hour at the club rooms.

**A COMPLIMENTARY DANCE.**

Last night a number of young gentlemen of the city gave a farewell dance at the opera house complimentary to the Misses Lena and Ruby Henderson, who will leave to-morrow for Taylor, where they will make their future home, much to the regret of a large number of friends in this city. Those who attended the dance are as follows: Misses Lena and Ruby Henderson, Virgie Cummings, Edna Swindell, Bud Cooper, Margie Cooper, Daisy and Annie Williams of Lam parson, and Besse Moss of Orange.

**FREE WAGON YARD.**

A free wagon yard has been established by the Beaumont Lumber Co. It has a very large shed for people who come into town with wagon and horses and they are invited to drive their wagon and horses down to this wagon yard so they will be out of the sun and rain. We know that our out-of-town friends will appreciate this, and we want you to see it. It costs nothing.

**ACQUIRED PIERCE'S HOLDINGS.**

There have been rumors for a month or more that the Gulf Beaumont and Kansas City and the Gulf and Interstate would be operated jointly and it was stated some time ago that the G. and I. shops would be moved to this city. It is learned on good authority that John H. Kirby has secured control of the interests of A. H. Pierce, who controlled the Gulf and Interstate, hence the reason for joint operation. It is to be true the consolidation will be very beneficial to Beaumont.

You want to keep your dry goods and groceries from the Beaumont Lumber Co.
